

General pole motif installation

1. Fix the hooks from 58001.50 to a motif

2. Fix the base from 58001.50 on a pole using metal banding tape 58005.50 and buckles 58006.50.

3. Assemble both parts of 58001.50, secure together and connect power cable to the power source.

Video about using the fixation tool:
